### FIRE IN PHILADELPHIA.

Five Hundred Thrown Out of Work. Loss \$200,000.

Philadelphia, Nov. 18.—Fire practically destroyed the five story building 117-129 North Fourth street, occupied by the Philadelphia Strawboard company and several other tenants. The loss on the building is estimated at \$15,000 and on the contents \$475,000.

The heaviest loser is the Philadelphia Strawboard company, whose property was damaged to the extent of \$400,000, partly insured. C. J. Matthews & Co., glazed kid dealers, estimate their loss at \$50,000; fully insured. The remaining losses were divided among the following firms: Herman Loeb, paper box manufacturer; Roberts & Co., manufacturers of collar foundations; Seldman Bros. & Rosenbaum, dress and millinery trimmings; James Berryman, agent for the J. B. Davis & Co. machine works of Hartford, Conn.; F. Stokes & Co., wrapping paper; Gustave Cohen and Bee Hive Wrapping company, Adolph Hess & Sons, leather dealers.

The fire is supposed to have been caused by spontaneous combustion. Five hundred persons, mostly women, are thrown out of employment.

### ELKINS REQUESTS JUDICIAL.

Philadelphia, Nov. 18.—The bequest of \$240,000 or if necessary \$250,000 for the erection of a Masonic orphanage made by the late William L. Elkins has been declared illegal by Register of Wills Graft of Montgomery county. This decision is due to the fact that the codicil providing for the gift was made within thirty days of the testator's death and is, therefore, inoperative. It will be necessary for the heirs to make provisions to pay over the sum to the Masonic home of Pennsylvania if the wishes of Mr. Elkins are to be carried out.

### Clark Would Lift the Cup.

Glasgow, Scotland, Nov. 18.—While it is impossible to secure a direct statement as to the identity of the Clyde yachtman who proposes to challenge for the America's cup in 1904, it may be accepted as practically certain that Kenneth M. Clark will challenge and that George L. Watson will design the yacht.

# We Will Keep Talking

**ABOUT OUR FURS AND LADIES' GARMENTS,** for we find as the season advances that they are correct in style. We have just received by express another lot of the slickest ZIBELINE COATS that ever came into our store. Early in the season Ladies Tailored Suits took the place of Coats. Now the call is all for Winter Coats and we have the styles wanted. We make it our business to find out what the correct Coat ideas are, then get them. We pay particular attention to cloths and linings used in our Coats as well as styles. It's the reason why they wear so well.

### We Have Sold More Furs

**SO FAR THAN ALL OF LAST SEASON.** They are not all going to Barre people. Customers living many miles away have heard of their value and are saving dollars by making their purchases here.

### This Will Interest Many.

**MR. WHITE,** representing F. Boss & Bro., the largest and most reliable Fur manufacturers in New York City, will be with us **FRIDAY AFTERNOON** and all day Saturday this week to take orders for all kinds of Furs, such as Sealskins, Minks, Sables, Persian Lamb and all other Furs made into Coats or smaller Furs. Also repair work will be carefully considered. Mr. White is not an ordinary salesman, but the very one that will look after the work after he takes it. As he has full charge of the manufacturing, he knows what he is talking about. It won't cost you a cent to see his elegant line.
